

DigitalContentCenter.com Now Offers Professional Ebook Services In Addition To Their Digital Download Online Shop

Want to sell your ebook from an online shop but need help with the logistics? Check out DigitalContentCenter.com because they now offer a complete line of Professional Ebook Services that will help you sell your ebook online.

Knoxville, TN ([PRWEB](#)) November 23, 2010 -- DigitalContentCenter.com now offers all-inclusive [Professional Ebook Services](#) that provide the missing components for most authors wanting to sell their ebooks online.

"Our Professional Ebook Services are guaranteed to help authors take their ebook offering to the next level," explains Art DeVaughn, Director of Operations. "Selling ebooks online is no longer a daunting task, our all-inclusive packages have everything an author needs to sell ebooks through their very own online shop."

The Professional Ebook Services Include:

[Ebook Micro-Sites](#) - Single and Multiple Page websites that are built using the latest programming technology that allow viewing across multiple web browsers and mobile devices. Packages include domain, hosting, search engine optimization and the digital content delivery online shop.

MobiPocket and ePub Formatting Services - Conversion and formatting for Amazon's Kindle, Apple's iPad, Sony's eReader and Barnes and Noble's Nook.

Ebook Layout Services - Design, layout, proofreading and copy editing services.

Ebook Cover Design - Standard ebook and 3d ebook covers.

Audio Book Services - Casting, narration and production of ebook to mp3 audio format.

Pricing for Professional Ebook Services are extremely reasonable. Discounts for Non-Profit Groups, Military Personnel and Educational Institutions are also offered.

Pricing for the digital content delivery online shop starts at \$4.95 per month. Over 50 features are available including live phone support.

DigitalContentCenter.com also offers a FREE Beginners Guide to Selling Downloads. Download your copy at www.DigitalContentCenter.com/BeginnersGuidetoSellingDownloads.pdf
